THE WEEKEND

DRC ULTIMATE RIDER

TWO DAYS. EVERY SURFACE.

NOT JUST A RACE. IT'S A TEST OF EVERYTHING.

DRC Ultimate Rider is a two-day motorsport event built to test riders across different forms of off-road riding — not a single type of terrain. Saturday filters the field. Sunday decides it. The same dirt. One prize pool across the weekend.

SATURDAY

Qualification · Elimination · Challenges

Saturday is the proving ground: qualification, elimination and multiple challenges across every surface. The day is built to strip the field down. The riders who last the day have not won. They have only earned Sunday.

SUNDAY

The Final

Sunday is the Final. The field is smaller. The surfaces still change. This is where the weekend is decided — after every rider still standing has already been tested.

₹5 LAKH

OVERALL PRIZE POOL

FIVE LAKH. ON THE LINE.

An overall prize pool for the two-day event — across Saturday, Sunday and every surface.

WE ARE NOT BUILDING JUST ANOTHER RACE.

Adventure isn't found. It's earned.

That is the belief Dirt Ride Camp was built on. DRC exists because Indian motorcycle culture has always been larger than the space it was given. What was missing was a home: a world around the rider — not a single weekend, and not a single start line.

We are building a motorcycle and adventure world where riding, training, adventure, motorsport, racing, experiences, community, content and brands belong together.

DRC Ultimate Rider is the first official DRC Race, and the flag-off of DRC Racing. Not a finale. A beginning.

6 RACES. EVERY YEAR. ACROSS INDIA.

THE RIDER IS THE CENTRE.

THE BRAINS BEHIND THE MACHINES.

This race is not hired in. It is built by people who ride — and by the ground that already knows how to hold a championship.

RAMSWARUP KULHARY

FOUNDER & MD, DRC — DIRT RIDE CAMP
ENDURO RIDER

He is building DRC around a simple belief: adventure isn't found, it's earned. Dirt Ride Camp is a world around the rider — riding, training, adventure, motorsport and community in one place. Ultimate Rider is the first official DRC Race, and the flag-off of DRC Racing: six races every year, across India.

DEV VENKAT

TRIBAL ADVENTURE
3 X NATIONAL CHAMPION

The flag-off lands on ground that already knows how to hold a championship. Dev built Tribal Adventure into a home for serious off-road riding. Ultimate Rider is here because the dirt, the people and the standard already exist.

THE RACE IS THE HEART. THE EXPERIENCE IS EVERYTHING AROUND IT.

A spectator at DRC Ultimate Rider does not only stand at a fence. They enter a two-day motorsport weekend — and they stay.

WATCH

Championship racing. Saturday's filter. Sunday's Final. Every surface, in public.

PLAY

ATV rides for spectators. Kids activities. Rider experiences on the ground.

EAT

Food as a place to land between sessions — and a reason to stay.

CONNECT

Community. Riders. Brand activations where the weekend actually happens.

CELEBRATE

Live music. DJ. Band. A night after the engines quiet.

YOUR BRAND DOESN'T NEED A BANNER. IT NEEDS A ROLE.

This is not only a race. It is a full two-day motorsport weekend — racing, ATV rides, live music, DJ, band, food, community. You should know exactly what a role buys.

5-DAY DESERT ENDURANCE

DRC MINI DAKAR

The horizon is a five-day desert endurance in Rajasthan. A DRC vision. Not an existing event. Not an official Dakar event.

THE HORIZON — NOT THE CALENDAR.

The long-term DRC vision is a recognizable Indian motorcycle culture and motorsport platform — where riders can participate, compete, learn, experience and connect. DRC Ultimate Rider is where that racing culture starts. The brands that take a role here are present at the beginning.

Adventure isn't found. It's earned.
